

# URSI EMTS 2025

Bologna, Italy - June 23-27, 2025

This premier event, set in the historic heart of Europe's oldest academic hub, promises a rich program spanning all facets of electromagnetic theory and applications. We invite contributions from researchers around the globe to explore the diverse domains of electromagnetic theory. Join us for an enriching experience amidst the academic, architectural and food attractions of Bologna!

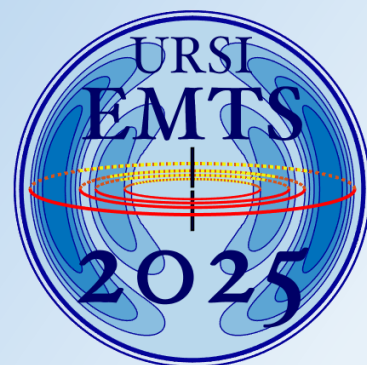

## Important dates

**Paper submission opens: December 2, 2024**

**Submission deadline: January 26, 2025**

**Notification of acceptance: March 16, 2025**

**Author registration ends: April 20, 2025**

Two types of papers can be submitted to URSI EMTS 2024: a Summary Paper (2-4 pages, it will be submitted to IEEE Xplore) or an Extended Abstract (1 page). Visit the conference website for more information!
